

I am Abby Kate Lloren a 19 year old little Leo, I was born on august 17, 2002 at carigara, Leyte. I am living with a simple life at brgy. Uyawan carigara, Leyte together with my Grandmother, Grandfather, cousin's, aunties and uncle's who'd supervised me . I start studying and I graduated my elementary days here in Brgy. Uyawan elementary school then I finished my highschool journey at Carigara National High School and now I'm currently doing my studies at Eastern visayas state university CC. In this cutest life we are living, I know that all of us has a hobbies, strength, weakness, a motto, and some hashtag in life.

So mine is, Cooking, listening a music, eating, creating and doing some DIY's stuff at home, laughing/crying, singing like a cat, playing with cat's & dog's, writing some quotes in my journal that I've seen from somewhere , and using gadgets is my likes and hobbies . My grandmother, Family and God is both my Strength and weakness in life while my goals in life and Living a life with no "Mama" and "Papa" to call on when I want and I needed is my Strength, because it motivates me to become stronger and to continue on pursuing my dreams and a weakness of mine is the painful words from my Family and friends. My motto in life is just "YOLO" You only live once so enjoy every moment and lastly my hashtag in this journey of mine is #Strong/Happy/Blessed.
